

Size Guide MEN – PULLOVER, VEST, TEE-SHIRT, BRETON SHIRTS

This guide is valid for a size of about 180cm.

These specifications may vary depending on the style and cut of the item.

The indicated centimetres (cm) refer to the measurement of the body and not of the article.

- a) **Chest measurement:** Place the meter around the chest horizontally at the strongest level.
- b) **Waist measurement:** Place the meter around the waist, horizontally at the thinnest point. The waist measurement corresponds to half of your pants size. (ex. 88cm waist = 44 pants size)

The meter must be placed against the body without constriction.
